Jomo Kenyatta University of Agriculture and Technology

STUDENT INFORMATION GUIDE

Sample Case Study Document for RAG Pipeline
Fee Structure • Unit Registration • Session Reporting • Events

Academic Year 2025/2026

This is a sample case study document prepared for a RAG (Retrieval-Augmented Generation) pipeline project. The content is based on JKUAT as a case study institution and covers sample fee structures, unit registration procedures, session reporting guidelines, examination regulations, and upcoming university events. This document is not an official JKUAT publication.

1. Fee Structure — Selected Programmes

The following tables outline the annual fee structure for selected undergraduate and postgraduate programmes at JKUAT. Fees are quoted in Kenya Shillings (KES) and are subject to review by the University Council. All fees must be paid through the University's official bank accounts or designated M-Pesa Paybill numbers.

1.1 Undergraduate Programmes

Programme	Year 1 (KES)	Year 2 (KES)	Year 3 (KES)	Year 4 (KES)
BSc. Computer Science	148,000	142,000	138,000	135,000
BSc. Information Technology	148,000	142,000	138,000	135,000
BSc. Software Engineering	150,000	144,000	140,000	137,000
BSc. Electrical & Electronic Eng.	165,000	158,000	152,000	149,000
BSc. Mechanical Engineering	162,000	155,000	150,000	147,000
BSc. Civil Engineering	160,000	154,000	148,000	145,000
BSc. Architecture	158,000	150,000	145,000	142,000
BSc. Biomedical Engineering	168,000	161,000	155,000	152,000
BPharm (Pharmacy)	175,000	168,000	162,000	158,000
BSc. Nursing	155,000	149,000	144,000	140,000
BSc. Agriculture	135,000	129,000	124,000	121,000
BSc. Food Science & Technology	138,000	132,000	127,000	124,000
BBM (Business Management)	120,000	115,000	111,000	108,000
BEd. Science	118,000	113,000	109,000	106,000
BSc. Mathematics & Computer Sci.	140,000	134,000	129,000	126,000
BSc. Physics	132,000	126,000	122,000	119,000
BSc. Chemistry	133,000	127,000	123,000	120,000

Additional Charges (All Students — Per Semester)

Item	Amount (KES)
Registration Fee	2,000
Student Union Fee	1,500
Medical / Health Fee	3,500

Library Fee	1,800
ICT / Technology Fee	2,500
Caution Money (Year 1 only, refundable)	5,000
Student ID (Year 1 only)	500
Examination Fee (per semester)	4,000
Household / Hostel Fee (on-campus)	18,000 – 25,000

Note: Fees are reviewed annually. Confirm the current schedule at the Finance Office or via the JKUAT Student Portal before making any payment.

1.2 Postgraduate Programmes

Programme	Semester 1 (KES)	Semester 2 (KES)	Semester 3 (KES)
MSc. Computer Science	85,000	80,000	75,000
MSc. Information Technology	85,000	80,000	75,000
MSc. Electrical Engineering	92,000	87,000	82,000
MSc. Mathematics	78,000	74,000	70,000
MSc. Physics	78,000	74,000	70,000
MBA (Business Administration)	95,000	90,000	85,000
PhD (Science & Technology)	110,000	105,000	100,000
PhD (Engineering)	115,000	110,000	105,000

2. Session Reporting Guidelines

Session reporting is the formal process by which a student confirms their continued enrolment in a given semester. It is mandatory for all registered JKUAT students, including those on attachment or special programmes.

■ **DEADLINE:** Session reporting must be completed **before the end of the FIRST WEEK of every semester**. Failure to session-report by this deadline will result in the student being marked absent for that semester and may lead to academic suspension.

2.1 How to Session Report

Step 1	Log in to the JKUAT Student Portal at <i>portal.jkuat.ac.ke</i> using your registration number and password.
Step 2	Navigate to Academics → Session Reporting from the main menu.
Step 3	Select the current academic year and semester.
Step 4	Verify that your personal details and programme information are correct. Report any discrepancies to the Registrar's Office immediately.
Step 5	Click ' Confirm Session Report '. A confirmation message and reference number will be displayed and emailed to your university email address.
Step 6	Print or save a copy of the session report confirmation for your records.

2.2 Important Reminders

- Session reporting is available online from the first day of each semester.
- Students on academic leave or deferred study must also session-report to confirm return.
- Manual session reporting at the Registrar's Office is available for students with portal access issues.
- Session reporting does **not** replace unit registration; both must be completed independently.

3. Unit Registration Procedure

Unit registration is the process of enrolling in specific course units for a given semester. Only registered units will appear in your official academic transcript and examination schedule.

■ **DEADLINE:** All unit registrations must be completed **before the end of the FOURTH (4th) WEEK of the semester**. Late registration will not be permitted after this date without special approval from the Dean of the relevant Faculty.

3.1 Fee Payment Requirement Before Unit Registration

■ **MANDATORY FEE PAYMENT THRESHOLD:**

A student must have paid a minimum of **75% of the total semester fees** before they can register units. The system will automatically block unit registration for any student whose fee payment is below this threshold. Part-payment arrangements below 75% will not be accepted as a basis for unit registration.

3.2 Step-by-Step Unit Registration

Step 1	Ensure your semester fees are at least 75% paid . Check your fee balance on the Student Portal under Finance → Fee Statement .
Step 2	Log in to the JKUAT Student Portal and navigate to Academics → Unit Registration .
Step 3	Select the current academic year, semester, and your programme.
Step 4	A list of recommended units based on your programme and year of study will appear. Select the units you wish to register.
Step 5	Review your selection and ensure you have not exceeded the maximum credit load for the semester (typically 24 credit hours for undergraduate students).
Step 6	Click ' Submit Registration '. A confirmation with a unique registration number will be sent to your university email.
Step 7	Print your unit registration card from the portal and keep it for future reference during examinations.

4. Reasons Why a Student May Fail to Register Units

If a student is unable to complete unit registration on the portal, the cause is usually one or more of the following. Identifying and resolving the specific issue early will prevent academic delays.

1	Fee Payment Below 75% The most common reason. The system enforces a minimum payment of 75% of total semester fees before allowing unit registration. Visit the Finance Office or pay via the official Paybill to clear the deficit.
2	Session Reporting Not Completed Students who have not session-reported for the current semester will be blocked from registering units. Complete session reporting first via the portal.
3	Outstanding Balance from Previous Semesters Carried-forward arrears from prior semesters may lock your account. Contact the Finance Office for a clearance letter or payment plan.
4	Academic Suspension or Probation Students on academic suspension or under academic probation cannot register units until the Dean lifts the restriction. Consult your Faculty Academic Office.
5	Incomplete Programme Clearance Transfer students or those changing programmes may face a temporary lock while their new programme details are being updated by the Registrar.
6	Missing Prerequisite Units Some units require prior completion of specific prerequisite units. If you have not passed the prerequisite, the system will prevent registration. Confirm with your Department Head whether an exemption is possible.
7	Portal Technical Issues Occasional system downtime or browser compatibility issues may prevent successful registration. Try a different browser, clear your cache, or visit the ICT Helpdesk at the Students' Centre.
8	Expired Student Status Students whose maximum study duration has lapsed cannot register units without written approval from the Senate. Apply for extension through your Faculty Dean.
9	Missing Biometric / Identity Verification Year 1 students who have not completed biometric registration may be temporarily blocked. Visit the ICT Registration Centre to complete this process.

10

Household Fee Clearance Pending

On-campus students with outstanding household (hostel) fees may face restrictions. Settle the hostel fee and obtain a clearance slip from the Hostels & Accommodation Office.

■ **If none of the above reasons apply and you still cannot register, proceed to the Academic Registrar's Office with your student ID and fee receipt for manual assistance.**

5. Examination Regulations & Fee Clearance

JKUAT maintains strict regulations governing student eligibility to sit for end-of-semester examinations. Students must satisfy all the conditions below before being permitted into the examination room.

5.1 Household Fee Clearance

■ CRITICAL REGULATION — HOUSEHOLD FEE:

A student who has **not cleared their Household Fee (hostel / accommodation fee)** in full will **NOT** be permitted to sit for any University examinations for that semester.

This regulation applies to all students residing in JKUAT-managed accommodation. Clearance must be obtained from the **Hostels & Accommodation Office** and a clearance slip must be presented at the examination venue together with the student identity card and unit registration card.

5.2 General Examination Eligibility Requirements

- Completed session reporting for the current semester.
- Registered all units for which examinations are to be sat.
- Attained a minimum class attendance of **75%** for each registered unit.
- Cleared all outstanding household / hostel fees (for on-campus students).
- Submitted all continuous assessment tests (CATs) and assignments as required by the relevant Department.
- Presented a valid Student Identity Card at the examination hall.
- Cleared any library fines or outstanding obligations as required.

5.3 Consequences of Non-Compliance

A student who does not meet the above requirements will be denied entry to the examination hall. Such a student will be awarded a grade of **IC (Incomplete)** or **AB (Absent)**, which may lead to a fail grade upon processing. Supplementary or special examinations may be applied for through the Dean's Office in accordance with the University's Academic Policy.

6. Key Academic Deadlines — Quick Reference

Activity	Deadline / Period	Responsible Office
Session Reporting	By end of Week 1 of semester	Academic Registrar
Unit Registration	By end of Week 4 of semester	Academic Registrar
Minimum Fee Payment (75%)	Before unit registration	Finance Office
Household Fee Clearance	Before examinations commence	Hostels & Accommodation
CATs / Continuous Assessments	As per Department schedule	Respective Department
Examination Period	As per official timetable	Examinations Office
Supplementary Exam Applications	Within 2 weeks after results	Faculty Dean's Office
Transcript Requests	Anytime (allow 5–10 working days)	Academic Registrar

7. Upcoming University Events

JKUAT regularly hosts international academic conferences, workshops, and seminars that bring together scholars, researchers, and industry professionals. Students and faculty are encouraged to participate actively in these events to foster academic excellence and networking.

2nd International Conference on Mathematics and Physical Sciences

ICMPS 2026

6th – 7th July 2026 | JKUAT Main Campus, Juja

7.1 Conference Overview

The 2nd International Conference on Mathematics and Physical Sciences (ICMPS 2026) is a prestigious biennial event hosted by the JKUAT College of Pure and Applied Sciences. The conference brings together mathematicians, physicists, chemists, statisticians, and data scientists from across Africa and the world to share cutting-edge research, forge collaborations, and advance the frontiers of knowledge in the mathematical and physical sciences.

7.2 Conference Schedule — July 2026

Date	Time	Activity	Venue
Sunday, 6 July 2026	08:00 – 09:30	Registration & Welcome Coffee	JKUAT Conference Centre, Foyer
Sunday, 6 July 2026	09:30 – 10:30	Opening Ceremony & Keynote Address I	Main Auditorium
Sunday, 6 July 2026	10:30 – 13:00	Parallel Technical Sessions — Day 1A	Lecture Theatres A, B, C
Sunday, 6 July 2026	13:00 – 14:00	Lunch & Networking	University Cafeteria
Sunday, 6 July 2026	14:00 – 17:00	Parallel Technical Sessions — Day 1B	Lecture Theatres A, B, C
Sunday, 6 July 2026	17:00 – 18:00	Poster Session & Exhibition	Conference Exhibition Hall
Sunday, 6 July 2026	19:00 – 21:00	Gala Dinner & Cultural Evening	JKUAT Gardens
Monday, 7 July 2026	08:30 – 09:30	Keynote Address II & Plenary Panel	Main Auditorium
Monday, 7 July 2026	09:30 – 13:00	Parallel Technical Sessions — Day 2A	Lecture Theatres A, B, C
Monday, 7 July 2026	13:00 – 14:00	Lunch & Networking	University Cafeteria
Monday, 7 July 2026	14:00 – 16:00	Special Workshop: AI in Sciences	Computer Lab 3
Monday, 7 July 2026	16:00 – 17:00	Awards Ceremony & Best Paper Prizes	Main Auditorium

Monday, 7 July 2026	17:00 – 17:30	Closing Ceremony	Main Auditorium
---------------------	---------------	------------------	-----------------

7.3 Thematic Areas

Pure and Applied Mathematics	Mathematical Modelling and Simulation
Statistics and Data Science	Theoretical and Experimental Physics
Quantum Computing and Information Science	Astrophysics and Space Sciences
Computational Chemistry	Environmental Physics and Climate Modelling
Artificial Intelligence Applications in Sciences	Mathematics Education and Curriculum Development

7.4 How to Participate

- Abstract submission: Submit a 250–350-word abstract to **icmps2026@jkuat.ac.ke** by **30 May 2026**.
- Notification of acceptance will be sent by **15 June 2026**.
- Full paper submission deadline: **25 June 2026** (for inclusion in the conference proceedings).
- Registration fee: KES 5,000 for students; KES 12,000 for faculty; USD 100 for international participants.
- Virtual attendance option available via the JKUAT e-Conference platform for registered participants unable to attend physically.

Note: For more details, visit the conference website or contact the Department of Mathematics, College of Pure and Applied Sciences, JKUAT Main Campus, P.O. Box 62000-00200, Nairobi. Email: icmps2026@jkuat.ac.ke | Tel: +254 67 52711
